About TINT

TINT aims to offer students (BSc, MSc, PhD, PDEng) the opportunity to deal with culture, spirituality, philosophy, personal development, and the meaning of life.

TINT also focus on the strengthening of the TU/e community by providing a multi-religious and multi-cultural environment where different people can meet, connect, inspire, and learn from each other.

Every year TINT compiles a program of cultural activities such as dinners, lectures, dialogues, mindful lunch breaks, group coaching and workshops.

On an individual level, students can visit our life coaches for a personal conversation about anything: stress, making decisions, relationships, study motivation, loss, faith, spirituality and philosophy.

All students of TU/e, Fontys Hogescholen and Design Academy Eindhoven are welcome at TINT events, workshops and life coaching.

TINT also coordinates the philosophical umbrella called CREDO which brings together student associations and groups at TU/e dedicated to philosophy of life, religion and spirituality. CREDO also manages the silent room at TU/e.
